The Masquerade.

Next week Wednesday occurs the masuerade, under the auspices of the base PLANING MILL WORK. ball club. It will probably be a success. Everybody says that they are not going to mask, "perhaps they may go and look on," or something of that kind. Our experience teaches us to understand from Excelsior Lumber & Planing Mills this that everybody, that is those same bodies, are going and are going to mask. The base ball boys know how to manage an affair of this kind, and this will not on bus be an exception. We know all who go will have a good time. All Orders by Mail will receive prompt

The Bay City Tribune in noticing our article published last week regarding two Mullet Lake Houses says: "There are to be two hotels on Mullet lake this summer, both having the same name-"Mullet Lake House." Good idea! When the hash is anything but hash the landlord can save his reputation by insist-ing that it was the other house."

Attention Firemen. An adjourned meeting of Cheboygan

Navigation Notes. It is stated that the St. Paul has been fitted out with new furniture.

The schooner Dreadnaught is receive ing a new deck and other repairs. The steamer St. Paul was billed to leave Detroit on Wednesday of this week.

The St. Paul arrived at Alpena yestertate propose establishing a summer re- day afternoon. Capt. Boynton telesort at some point in the northern part graphed here to ascertain the condition

beautiful of the inland lak refour state, peller City of New York, which met with lakes which are stocked wand fish and a disaster at Ludington, last fall, and which are at all times safe for pleasure lay on the beach during the winter, was

Methodists some years since, before their will form a daily line between Port Humethodists some years since, before their establishment at Petoskey, and while not a word could be charged against them, they were declined on account of their inaccessibility at the time. Then the "Inland Navigation Project" was only a theory, now it is an establishment at Petoskey, and while ron, Cheboygan and Chicago; a daily line between Port Huron and Toledo, and a tri-weekly line between Port Huron and Cleveland. The boats will come out in splendid condition for passengers. There will be thirteen boats besides the barges. The passenger boats have a carrying cannot be the post of the passenger posts and Chicago; a daily line between Port Huron and Toledo, and a tri-weekly line between Port Huron and Toledo, and a tri-weekly line between Port Huron and Toledo, and a tri-weekly line between Port Huron and Cleveland. The boats will come out in splendid condition for passengers. There well be the post of pacity of 500 tons.

Several of the newspapers during the week, have contained statements that Smith Brothers, of this place, were neover-confident, and by them only in the dim distance. Some of our citizens were disappointed that the Methodists did not locate there. We said at the time, and believe it yet, that the time will come when they will regret that they did not. If we secure the location of the Congregationalists here, we will have lost nothing. The reputation that the Methodist grounds have given Petoskey, the Congregationalists will give this place

Smith Brothers, of this place, were negotiating the purchase of the propeller Music to ply between here and Mackinaw during the summer in connection with their inland steamers. The amount of the matter, thus far, is that the owners of the Music offered her at a certain price, which price Smith Brothers, of this place, were negotiating the purchase of the propeller Music to ply between here and Mackinaw during the summer in connection with their inland steamers. The village election occurred last Monday and was the most quite affair of the kind which has been known here for years. The only full ticket in the field
was the regular Democratic county convention to thoose delegates to the state convention to the state conven grounds, which will give them a communication with the outside world unequaled by any "resort" now established. The same grounds were offered the running arrangements of their boats for the coming season. They

And so the Republicans of Cheboygan sat still and allowed twenty Democrats to run their town.—Traverse City Her-

No, subsequent events , showed that it was the Greenbackers.

What in the name of politics are th Republicans of Cheboygan doing this spring? At the recent village election spring? At the recent village election of no Republican ticket was in the field, and that excellent local paper, the TRIBUNE seemed to take it very quietly. The Herald would like to be at Cheboygan for a few weeks. There would be a rattling among the dry bones thereabouts. Not a foot of ground should be granted the enemy this year. Every gain of the Democrats is a loss to the gain of the Democrats is a loss to the Republicans. Republicans of Cheboygan what are you thinking about?-Traverse City Herald.

Brother Bates, suppose we swap news papers a while, and you can come here and try your hand in manufacturing ome politics.

The Shingle Trade.

The Saginaw Herald in its review

the markets in that section says: "The advancing wave has touched the lumber trade, gently, it is true, in all its branches, and among the rest, the article of shingles. One of our reporters, in making inquiries among the shingle dealers, found all of them had advanced their prices beyond our quotations, and we this morning revise the list, 2nd put up the best brands to \$3, while the country brands have followed up to \$2.75 and Little Jake & Co. have refused large of-fers of sales at \$2.75, and they held firm for \$3. It is also reported that one of the leading manufacturers at Bay Considered at an end. \$3.00 per thousand, which is equal to 60 cents per thousand on shingles, and that proportionate increase will carry the best trade to \$3.10. There seems but little if any doubt that shingles must hold firm at these figures. The capacity for cutting has not increased during for cutting has not increased during and internal revenue taxes of 1867 had after calling him to his door demanded the capacity and internal revenue taxes of 1867 had after calling him to his door demanded lodging, in default of which they threatthe past two years, and cannot be in-creased in time to effect the market this season. The consumption and demand must increase, and with the present light stock, all that our manufacturers have to do is to hold them firm to realize, what they have failed to receive for seyeral years past, a fair profit."

The Lumber Market. The Lumbermans Gazette, in its remarks on the state of the lumber trade. says: There are no signs of weakness observable in the market, and it is hardly worth while to expect them to appear. While the stock of lumber on dock is about all disposed of and large orders placed ahead at good round figures, some as high as \$7, \$14 and \$30, it is hardly probable that even after navigation has been fairly opened and trade has settled upon the basis of the season any materi-Hon. Wm. McArthur started for Detroit and Chicago Thursday morning. He expects to be gone about a week.

S. S. Eddy. Esq., manager of the merous. Another sale by Fisher of West Bay City at \$7.50, \$15 and \$35 is reported. Other sales have been made at the range of the market sale by Fisher of West Bay City at \$7.50, \$15 and \$35 is reported. continues in a booming condition, prices being maintained at the advance and \$2 and \$3 is asked. The Western Michigan manufacturers have also joined in for the advance.
